#56 The Ever Loving Truth—Contending For The Faith

Workbook Cost \$ _____

God's Word commands believers to contend for the Christian faith. In today's culture that may mean doing battle in the marketplace of ideas. This study arms believers for battle. Through this inductive Bible study participants will discover God's answers to questions like; Does truth exist? If so, how can we know it? We have our faith, and other people have theirs; should we try to convince people that ours is right? While we believe the Bible, other people believe their holy book. Who can say that ours is correct? Who is Jesus? What are the implications of our beliefs about Him?

#71 Framing Your Worldview

Workbook Cost \$

A worldview is simply the way we think the world works and how we fit into it. Everyone has a worldview, though most people are not aware of it. Understanding these worldviews is vitally important, because they shape our thoughts, attitudes and actions. As we seek to apply the biblical worldview to all of life, we must not try to impose it on others; we should instead propose a better way of life to them. We must approach our task with humility, humor and grace, always seeking to persuade, not coerce. We should honor those who oppose us, recognizing in them the image of God, as we live out the love of God in all our relationships. We change lives first, then culture, as we work to overcome evil with good.

#4 Do You Think I'm Beautiful? - Answering the Question Every Woman Asks

The question whispers from the tender places of every woman's soul. We usually pretend we don't hear it, we say we are strong and sure, that we don't long to be held and protected, or we convince ourselves that the question isn't ours to ask, that beautiful can never be said of us. #2 Recursos de Beth Moore:

Los Patriarcas: Esta mirada, profunda y penetrante, de los patriarcas, es algo que se destaca en el Antiguo Testamento. Con un énfasis especial en Génesis (Capítulos 12-50), este libro provee detalles fascinantes de las vidas de Abraham, Isaac y Jacob. También explora conceptos importantes, como la bendición, el pacto y las promesas, y como estos moldearon para siempre las vidas de Abraham y sus descendientes. Este extraordinario estudio de 10 semanas ayuda a los participantes a descubrir la búsqueda de relación por parte de Dios y la revelación de su plan terrenal: como, a través de una nación y en última instancia, de un hombre — todos los pueblos de la tierra serían bendecidos.

Sesiones: 10

Libro del estudiante: \$15.00

Creer a Dios: Abraham, Moisés y otros, ganaron su lugar en el “Salón de la Fama” de Hebreos 11, por lo grande de su fe. Ellos creyeron a Dios, aun cuando hubiera sido más fácil no hacerlo. Por medio de ejemplo dado por ellos, la popular autora Beth Moore anima a los cristianos de hoy a profundizar en su confianza en Él. Así que, como se describe en Isaías 43:10, este poderoso recurso guiará a los participantes a tener una fe viva y más activa — una que comienza cuando comprenden lo que verdaderamente significa conocer y creer a Dios.

Sesiones: 10

Libro del estudiante: \$15.00

Cuando los Cristianos Hacen Cosas que Desagradan a Dios: Comienza con una advertencia a los creyentes que usa un pasaje que describe a satanás como un león rugiente, rondando nuestro mundo para vengarse de Dios, al traer estrago y ruina sobre sus hijos. Esta autora y oradora de éxito nos muestra como podemos prepararnos para los ataques del enemigo y ofrece ayuda y aliento a aquellos que ya han sido presa de él. Usando 1 Samuel 12:20-25, este singular estudio en siete sesiones señala el camino de regreso a Dios. Durante este proceso, muestra a los creyentes como encontrar (y a su vez ayudar a otros a encontrar) perdón y una restauración auténtica.
